

# Crystal Quick Reference

## **Aqua Aura**

Aqua Aura is a man-made crystal. Pure quartz crystals are infused with Gold. The resulting crystal is an extremely powerful combination which fuses the White, Blue and Gold Rays into an iridescent display of Light.

It has an extremely high and very intense vibration. It can be used to activate the energies of other crystals and minerals for healing work. It is excellent for activating the Chakras. It can smooth and heal the auric field as well as release negativity from the physical, emotional, mental and spiritual bodies.

This crystal combines the properties of both Quartz and Gold.

It is used to stimulate the throat Chakra and aid in communication, especially when determining the inner truth. It also relaxes and soothes the emotional body.

Aqua Aura can be used to help relieve stress, sooth anger and negative emotions. It can help you get at the truth of emotional issues.
