

Crystal Quick Reference

Auralite 23

This beautiful stone has many names, Goddessite, Genesis, Kindred Spirit Stone, Auralite, and Super 23.

Auralite 23TM is a magical stone that will bring harmony and balance to all. A superior crystal to meditate with, allowing us to delve deeper, transcend to our highest realms and focus our inner spirit on the abundance that is all around us.

Auralite 23TM Crystals activate each of our chakras due to the addition of 23 minerals within its matrix: Titanite, Cocoxenite, Lepidocrosite, Malachite, Hematite, Magnetite, Pyrite, Geothite, Pyrolusite, Gold, Silver, Platinum, Nickel, Copper, Iron, Limonite, Shpalerite, Covellite, Chalcopyrite, Gilalite, Epidote, Bornite, and Rutile. On its own, Auralite 23TM has the metaphysical properties of all 23 minerals backing it, if used with your other crystals you get the magnification of these 23 minerals including the chosen crystal to accompany Auralite 23TM.

Auralite 23TM will enhance and magnify the energies of other crystals, allowing the light worker to accelerate the healing process by incorporating Auralite 23TM with their current crystals and methodologies.

Auralite 23TM can be used in balancing the physical body as well, but the greatest affects will be felt in the spiritual development that occurs.

We can see this most when our minds eye opens to the infinite possibilities that Auralite 23TM Crystals present; flashes of intuitiveness and ingenious thoughts will frequent the carrier regularly.

While Auralite 23TM Crystals can work on their own, it takes on a special role when used with other high frequency stones, for example: two matching tuning forks will vibrate together even though only one was struck; this is how Auralite 23TM can amplify other crystals.
