Aluminum, Copper, Silicon, Hydrogen, Oxygen make up this crystal.

Chrysocolla is an energizing crystal.

It revitalized the root, sacral and solar plexus chakras.

It works with the heart chakra to ease emotional heartache as well as provide strength and balance during times dealing with difficult emotional issues. As the heart chakra is restored to balance it can help increase our ability to love and express love.

When used with the throat chakra it helps to strengthen and balance our ability to communicate especially helping us to not say something when silence would be the better approach. It is a stone of expression, speech, empowerment and communication.

It is an excellent crystal for grounding with the Earth.

It helps us to communicate with the spiritual forces of the Earth and nature. It can help us understand what is needed to help heal the Earth.

It assists in releasing negative emotion.

It purifies the home and environment and can eliminate negativity from a person.

It is said to be able to help regenerate the pancreas, assist in the regulation of insulin and balance blood sugar. It also is said to help with blood disorders, muscle problems, and is good for the lungs.

Astrological: Gemini, Virgo, Taurus
