

# Crystal Quick Reference

## Heulandite - White

White Heulandite

This crystal may help stimulate the connection between the right and left hemisphere of the brain. As both parts of your brain begin to work in harmony you may find access Divine energy becomes easier as well as communication with higher beings. It may also help to open, develop and stimulate your third eye and its associated gifts/abilities.

As you become more in touch and open to divine energies you may have contact with higher spiritual guides which may help you along your spiritual path.

Chakras: Third Eye, Crown, Soul Star
