

# Crystal Quick Reference

## Indigo Gabbro

Also known as Mystic Merlinite. Primarily comprised of quartz, feldspar, and other trace crystals and minerals. It is found in Madagascar. It is created as magma cools. It is primarily made of earth and fire energy but contains all elemental energies as well.

This is a crystal of magick. Used to amplify magickal workings as well as to aid in magickal learning. It aids in learning all forms of magick.

This crystal stimulates ALL psychic abilities ... clairvoyance, clairaudience, clairsentience, prophetic visions, past life recall. Helps to activate dormant parts of the mind and helps you to use the full potential of your mind.

This crystal helps with manifestation of elemental energies.

Aids in communication with plants, animal spirits, and spirits of other realms! This crystal also helps with dream recall, studying dreams, etc.

Helps to know the true self.

It fully aligns all chakras and balances the energies between all chakras.

This crystal helps to fully understand our light and dark sides and helps us to achieve harmony. When this work happens the dark sides must be accepted in love.
