

# Crystal Quick Reference

## Jasper - Leopard Skin

Leopard Skin Jasper has properties of brown jasper, yellow jasper, picture jasper, and more.

It helps promote mental clarity.

This is an excellent crystal for helping with self confidence and overcoming fears.

For those that have problems with pride and ego, this crystal can help to overcome these traits, be more grounded, be more aware of yourself and the world around, and realize that we are just part of a larger existence.

Chakras: Root, Sacral, Solar Plexus, Heart, Crown
