

Crystal Quick Reference

Merlinite

Merlinite is a crystal of knowledge. It contains the knowledge of shamans, alchemists, magician-priests and other magickal workers. Excellent crystal for shamanic workings. Allows access to the Akashic records. Helps the user to look into past lives and possible future lives. It helps to bring magick into your life.

Excellent for use in healing issues from past lives. Brings balance to yin/yang energies.

It can help with communication with deceased spirits. Most likely loved ones will appear at first but other spirits may appear later as the user becomes more accustomed to working with this crystal.
