

Crystal Quick Reference

Moonstone - Rainbow

Rainbow Moonstone is also called White Labradorite and is infact a variety of labradorite and not moonstone. It shines with the all the colors just like labradorite and has all the properties of labradorite.

It vibrates with the feminine wisdom and Goddess energy of the new, waxing, and full moon.

Helps to strengthen intuition and psychic perception. It helps to raise our awareness and vibrational rates. It can help aid in meditation. It also opens us up to divine inspiration. When used with the Sacral, Third Eye and Crown chakras it calms the physical mind and helps to silence the chatter that we experience. It helps us just to "BE" without distraction.

Rainbow Moonstone also helps to increase our patience.

Brings balance and harmony with THE ALL. Power to grant wishes.

It helps with all aspects of the female reproductive system. Some have reported that it helps with menstrual cycles. It also helps to balance the emotional body. It can help to easy very aggressive tendencies in men and women. It helps to relieve stress.

Astrological: Cancer, Libra, Scorpio.

Chakras: Sacral, Solar Plexus, Heart, Crown
