

Crystal Quick Reference

Morganite

Morganite is a crystal of divine love. It helps to open awareness to the overwhelming presence of the divine or the multiverse.

Properties of both an angel stone and a heart stone.

Excellent crystal for cleaning the emotional body of stress and anxiety. It can help heal old emotional wounds and associated trauma.

It can bring in feelings of love or help rekindle an old love.

It helps when communicating with angels and higher angelic beings.

It helps to bring about compassion, empathy, self-control and patience. It can help ease the pain of separation.

It is a very high frequency crystal. It is primarily associated with the heart chakra.

Chakra: Heart, Third Eye, Crown, Soul Star
