

Crystal Quick Reference

Obsidian - Gold Sheen

All the properties of Obsidian. Also called the "Wizard's Stone" because of its associations with magickal workings.

Excellent crystal for blocking psychic attacks. Also shields against negative energies.

The black and gold combination make this crystal an excellent choice for helping to clear your auric field of debris and psychic clutter.

Very good crystal for manifestation and attracting wealth and prosperity.

Excellent crystal for scrying. Very useful in determining the source of healing issues and may help guide you to the proper crystal(s) to speed the needed healing. Hold the gold sheen obsidian in your hand and ask what crystals will help with the situation OR run through a list of crystals asking if they will help with the specified situation.

This is also a wonderful crystal for helping you to find your spiritual path.

Excellent crystal for letting go of ego.
