

# Crystal Quick Reference

## Obsidian - Strawberry

Strawberry Obsidian is a dyed crystal. It is obsidian that has been dyed a specific color. It has all the properties of obsidian.

Pink and Red combine to form this wonderful strawberry color.

Pink is love, Red is passion and emotion and desire. Pink is associated with the heart chakra, red is associated with the root chakra, and strawberry aligns well with the sacral chakra.

Strawberry Obsidian is a wonderful grounding crystal and aids in balancing emotional energies. It helps you to recognize changes that are needed in your life. With the aid of this crystal, it is easier to overcome procrastination.

The red and pink nature of the crystal strengthens the heart chakra as well as the root and sacral chakras help the user to stand up to fear and anxiety.

This crystal also helps to balance the masculine and feminine energies within everyone!

It is also a very good crystal at blocking psychic attack and removing negative energies.

It will also help raise Kundalini energy and improve sexual organ function.

When the root and sacral chakras are cleansed and aligned, overall health may improve.

Chakras: Root, Sacral, Heart
