

Crystal Quick Reference

Quartz - Golden Healer

This crystal is excellent for healing work. It is used to assist one in attaining and maintaining contact with higher spiritual realms, and to facilitate healing on all levels. In healing work it helps to recognize the methods and techniques required for healing and recovery of all disorders. Great for use in Feng Shui remedies. Excellent for scrying.

It works great with Peach Quartz and Opalite. Also combines well with Orange Elestial Quartz. When a generator of Golden Quartz, Peach Quartz, Opalite with Orange Elestial Quartz at the center is created an extremely deep healing can take place on all levels and raise one's vibrational rate to an extremely high level making contact with Angelic Realms very simple. When powered with Reiki the generator becomes even more potent. When activated with Zonar, Halu and Gnosa incredible deep healing of sexual issues and molestation can be resolved with minimal trauma to the client.
