Crystal Quick Reference

Quartz - Golden Healer

Golden Healer Quartz forms in hydrothermal veins and pegmatites, particularly where iron-rich fluids interact with quartz deposits. Iron oxides and other minerals to be incorporated into the quartz, giving it the characteristic golden hue. Often found in Brazil, the USA (especially Arkansas), Madagascar, and parts of Africa. The color ranges from a pale light yellow to deep yellow and orange colors depending on the amount of iron oxides and heat present during the formation.

This crystal is excellent for healing work. It is used to assist one in attaining and maintaing contact with higher spiritual realms, and to facillitate healing on all levels. In healing work it helps to recognize the methods and techniques required for healing and recovery of all disorders. Great for use in Feng Shui remedies. Excellent for scrying.

This crystal aligns and balances all of the primary chakras. It aids in releasing old bliefs and blockages caused by them. It helps to release old emotional wounds. It helps to heal traumatic events. It helps you to forgive yourself.

It works great with Peach Quartz and Opalite. Also combines well with Orange Elestial Quartz. When a generator of Golden Quartz, Peach Quartz, Opalite with Orange Elestial Quartz at the center is created an extreamly deep healing can take place on all levels and raise one's vibrational rate to an extremely high level making contact with Angelic Realms very simple. When powered with Reiki the generator becomes even more potent. When activated with Zonar, Halu and Gnosa incredible deep healing of sexual issues and molestation can be resolved with minimal trauma to the client.
