

Crystal Quick Reference

Ruby Zoisite

Ruby Zoisite is a composite crystal formed of both Ruby and Zoisite. It has all the properties of Ruby as well as the properties of Zoisite.

This combination is also called Anyolite.

The combination crystal can help to create altered states of consciousness and can serve as a vehicle for reaching and utilizing talents and abilities of the mind. It can stimulate and enhance all psychic abilities. Healers in Asiatic countries use this crystal to help diagnose issues and to increase communication with spiritual beings.

It increases your awareness of your individuality but at the same time helps you to recognize your interconnectedness with all beings.
